

Statement of End Use – Certification

To Whom It May Concern:

Subject: Compliance with United States Export Regulations (EAR)

It is the policy of Sypris Test & Measurement, Inc. to verify the end use and end user in all sales transactions that have the potential for exportation to ensure compliance with applicable United States control laws and regulations. Please confirm the following since the products and/or service you are purchasing may be exported and used outside of the United States.

1. I (We) will not export or re-export any Sypris Test & Measurement, Inc. products, serviced items, or technology to countries on the United States Debarred List.
2. I (We) will not sell, transfer, export or re-export any Sypris Test & Measurement, Inc. products and/or serviced items for use in activities which involve the development, production, use or stockpiling of nuclear, chemical or biological weapons or missiles, nor use Sypris Test & Measurement, Inc. products in any facilities which are engaged in activities relating to such weapons in accordance with Part 744 of the EAR.
3. I (We) acknowledge that United States law prohibits the sale, transfer, export or re-export or other participation in any export transaction involving Sypris Test & Measurement, Inc. products and/or serviced items with individuals or companies listed in the United States Commerce Department's Denied Party List.
4. I (We) will abide by all applicable United States export control laws and regulations for all products and/or serviced items purchased from Sypris Test & Measurement, Inc. and will obtain any licenses or approvals required by the United States Government prior to export or re-export of Sypris Test & Measurement, Inc. products or technology.
